Thus from time to time, it may be necessary to have restoration/repairs made to the interior and/or exterior of the building, including the Chapel. It may also be necessary to erect scaffolding inside or outside of the building to make repairs to the stonework, roof or windows. Knox College will make every effort to contact you in the event of such repairs/restoration, this, however, may not be possible in an emergency situation.

We have read the regulations governing the use of the Knox College Chapel and hereby agree that we will abide by the rules and conditions outlined in the Knox College Wedding Application Package. **We understand that payments for the chapel and organist must be received within three months prior to the wedding or the College reserves the right to accept another reservation.
