

Submitting transcripts

Postal service for Knox College (and the University of Toronto) is currently suspended due to COVID-19.

You must submit either an official transcript or an unofficial (placeholder) transcript before the application deadline, which remains as May 31, 2020, for fall admission.

Knox College welcomes Electronic Official Transcripts (eTranscripts) at this time.

If your issuing institution does not provide eTranscripts, please request an unofficial copy of the transcript to be submitted electronically to Megan Shin, Recruitment Officer and Admissions Counsellor (megan.shin@utoronto.ca). **Unofficial copies of the transcript will be accepted as placeholders while the signed originals arrive by regular mail.**

We can accept electronic files via email or a via secure online sharing service such (Dropbox, WeTransfer, etc.). It is up to you to discuss with the issuing institution how to send the file to Knox College.
