

Knox College PCC Leadership Bursary (MDiv)

Knox College will provide a bursary of 100% of course fees to students who meet the following conditions:

- Current certification by a presbytery of The Presbyterian Church in Canada.
- Full-time studies in the **Master of Divinity** program and the Diploma of the College (or equivalent as a General Assembly student). Full-time study is defined as a minimum of 4 courses per semester for each of the fall and winter semesters. Students who meet this condition are also eligible for 100% bursary support for summer courses.
- The tuition bursary covers a period of three years, but **students must renew their bursary application each semester** by the published deadline.
- Students must maintain satisfactory academic standing to have their bursary renewed.
- The bursary is for 100% course tuition excluding additional academic, administrative, and incidental fees charged by Knox, TST, and/or U of T.
- In exceptional cases, international students who have a current certification by a presbytery of The Presbyterian Church in Canada will be eligible for a bursary equal to the amount of 100% domestic tuition.

Application Deadlines

Fall Semester – 20 September **Winter Semester – 20 January** **Summer Semester – 20 April**

NOTE: Application deadlines are set for the week following the Last Day to Add Courses deadline in each semester. This assures that course registration on a Bursary application matches confirmed registration in a student's ACORN account.

Late Application

Bursary funding for applications submitted after the posted deadlines is not guaranteed. A late application will require a petition/appeal letter that will be presented to the Financial Aid Committee for review and consideration. Please contact the Assistant Registrar for more information.

Application Review

Bursary Applications received by the posted semester deadline are reviewed by the Assistant Registrar before being forwarded to the Business Office for processing. The Assistant Registrar will be comparing course registration on the Bursary Application with course registration in the applicant's ACORN account.

Dropping Courses

It is the student's responsibility to notify the Assistant Registrar if they dropped a course(s) after having submitted a Bursary Application or after Bursary funding has been posted to the student's account. Dropping a course(s) will result in a reassessment of Bursary funding for subsequent semesters or a reimbursement of Bursary funding posted to a student's ACORN account.

Confidentiality

Access to information contained in the Bursary Application Form is restricted to the Registrar's Office, the Business Office, and in the case of a petition for a late application, the Financial Aid Committee of Knox College. Donors of named bursaries, as outlined in the Bursary terms, will be informed of each year's recipients. Names will not be published in communications related to bursaries.
