

KNOX COLLEGE

Photo / Digital Media Release Form

In presenting Knox College to potential students, donors, granting agencies, alumni/ae, the broader Presbyterian community and other Reformed and Ecumenical denominations, we use both published materials and online platforms that help us effectively communicate what and who Knox College is. Needless to say, photographs and digital media (ie: video and/or audio recordings from Zoom gatherings) are a key component of our promotional materials – dynamic and current shots and recordings that highlight the work being done by, for and with you, our students. Once we are able to gather at Knox College, you will often see a Knox representative or a contracted professional photographer, with camera in hand at most of our College events and activities.

In order to effectively promote Knox College, we need your consent to use photos / digital media of you in promotional or other College-use activities.

To that end, we request that you complete and return this form to knox.assistantregistrar@utoronto.ca today.
