

Knox College Basic Degree Program Bursary Application

Knox College offers a competitive tuition reimbursement program which is calculated during Fall and Winter semesters for students in BD programs. Bursary funding is not available in Summer semesters.

CTS, MDiv (non-PCC), MTS, MPS Student Funding Eligibility

Funding will be determined through an assessment of:

- (1) course registration and
- (2) CGPA in previous semester of registration.

Priority will be given to actively registered BD students with a full-time Registration Status (4 or more courses per semester) and highest CGPA from the previous semester of registration (in the case of returning students).

- Approved Bursary funding covers one semester of registration. **Students must renew their bursary application each semester** by the published deadline.
- Students must maintain satisfactory academic standing to have their bursary renewed.
- International students will be eligible for a bursary funding at the domestic tuition rate.

Application Deadlines - Fall Semester – 20 September / Winter Semester – 20 January

NOTE: Application deadlines are set for the week following the Last Day to Add Courses deadline in each semester. This assures that course registration on a Bursary application matches confirmed registration in a student's ACORN account.

Late Application

Bursary funding for applications submitted after the posted deadlines is not guaranteed. A late application requires a petition/appeal letter to be presented to the Financial Aid Committee for review and consideration.

Application Review

Bursary Applications received by the posted semester deadline are reviewed by the Assistant Registrar before being forwarded to the Business Office for processing. The Assistant Registrar will compare course registration on the Bursary Application with course registration in the applicant's ACORN account.

Dropping Courses

It is the student's responsibility to notify the Assistant Registrar if they drop a course(s) after (1) having submitted a Bursary Application or (2) after Bursary funding has been posted to the student's account. Dropping a course(s) will result in a reduction in Bursary funding for the next semester or reimbursement of Bursary funding posted to a student's ACORN account.

Confidentiality

Access to information contained in the Bursary Application Form is restricted to the Registrar's Office, the Business Office, and in the case of a petition for a late application, the Financial Aid Committee of Knox College. Donors of named bursaries, as outlined in the Bursary terms, will be informed of each year's recipients. Names will not be published in communications related to bursaries.
