If a student would like to register for a course that is of interest to them but (1) does not meet program requirements listed above or (2) exceeds the number of required courses for the program, they may request permission to register for and complete the course as an “**Extra Course**”. Extra courses and their assigned grades will appear on a student’s academic record and transcript but will not contribute to their CGPA. Please note: Extra courses must be approved prior to registration. They cannot be retroactively assigned. Students who wish to register for an Extra course must complete the Extra Course Request approvals form.
